Grad Cafe Analysis

Pull Data

Update Analysis

Pull Data checks Grad Cafe for newly submitted application results and adds new records to the database. Depending on the amount of new data available, this may take some time.

Last data pull finished at 01:13 AM — scraped 60 entries, added 0 new records, skipped 60 already in the database.

Results generated Sep 21, 2026 at 01:13:25 AM · 31,649 applicants in the database.

QUESTION 1

How many entries are from applicants who applied for Fall 2026?

31,188

Applicants

QUESTION 2

Among entries that provide a nationality, what percentage are international students?
